

SCUT REFN Dataset License Agreement

By signing this document, the user who will make use of the REFN datasets, which is a multimodal database for emotion analysis using functional near-infrared spectroscopy, agrees to the following terms.

1. Commercial use

The user may only use the dataset for academic research. The user may not use the database for any commercial purposes. Commercial purposes include, but are not limited to:

- training or proving the efficiency of commercial systems,
- selling data from the dataset,
- creating military applications

2. Distribution

The user may not distribute the dataset or portions thereof in any way, with the exception of using small portions of data for the exclusive purpose of clarifying academic publications or presentations.

3. Access

The user may only use the dataset after this license agreement has been filled out, signed, and uploaded to the REFN website. A link to access the dataset will be issued after a review of the application. The user may not grant anyone access to the database by giving out their link.

4. Modifications

The REFN administrators reserve the right to modify this license agreement at any time.

5. Warranty

The dataset comes without any warranty, the REFN administrators cannot be held responsible for any damages (physical, financial, or otherwise) caused by the use of the dataset.

6. Citations

If you use the dataset in your research, please cite the following papers:

Dengjun Sun, Chunmei Qing, Zhili Lai, Wanxiang Luo, and Xiangmin Xu, REFN: A Multimodal Database for Emotion Analysis Using Functional Near-infrared Spectroscopy, The 2024 CSIG Conference on Emotional Intelligence, Springer, Singapore, 2025. DOI:10.1007/978-981-96-5084-2_2.

7. Personal Information

The users should fill in the following personal information. The information about the director of the institution or principal investigators of the project should be given instead of a student.
